## ABOUT US:

With 20 years of cutting edge development, T-Rex Grilles has become the world leader in aftermarket grille design and manufacturing. T-Rex Grilles' state of the art 55,000 sq. ft. Southern California facility supports over 100 American jobs – production, design, research and development, marketing and corporate staff; and each and every one is dedicated to a singular purpose: Producing the finest automotive grilles & accessories available on the market today. This dedication of American craftsmanship shows in every product that leaves our plant.

This catalog showcases just a small sampling of our products. A complete list of products with images searchable by year/make/model, category or key word search is available on the T-REX website; [www.TREXBILLET.com](http://www.TREXBILLET.com) where new products are added daily. Please don't hesitate to call our knowledgeable Sales and Customer Service team to learn more about T-REX Grilles products, inquire about fitment & availability, or any other questions you might have about any T-REX Grilles product. We look forward to hearing from you.

Always choose the best. Always choose T-REX!

## NEW STYLES & PRODUCTS FOR 2016 - 2017:

### ZROADZ SERIES GRILLES

A brand new innovation to the truck grille market, this slim line grille design features an attractive custom laser cut pattern that encloses a powerful single row compact LED Light Bar, and inspired by off road rugged styling. The main objective was to offer a super affordable and complete package grille, made in the USA, and at an unbeatable price that appeals to all budgets.

PG. 3-4

### DJ SERIES GRILLES

T-REX Grilles, manufacturers of the world's highest quality grille products and the most extensive product line with over 5,000 applications, has now made directly available DJ Series Grille Line. DJ Grilles Series are our premium style grilles with high-end designs. These stylish grilles feature unique looks with highlighting trim pieces not found anywhere else.

## LASER BILLET GRILLES

T-REX Grilles introduces a highly innovate manufacturing process that offers exclusive products. What makes the T-REX Laser Billet Grille so special? Our Laser Billet process is totally unique because of the precision laser cut aluminum plate stylized to match the contours of the vehicle and space available. The result is a totally custom appearance unlike any other aftermarket grille options on the market. Available in black powder coat or polished face.

### GRILLE FEATURES:

- Precision Laser Cut
- Prominent 3D Contouring
- 6061/6063 Billet Aluminum
- High Polished Finish
- Lifetime Structural Warranty
- 3 Year Warranty on Finish
