

GRILLES

T-Rex Products
2365 Railroad St, Corona, CA 92880

Proudly Made in the USA 

Thank you for your interest in a product sponsorship from T-REX Truck Products Inc. We receive many requests during the year and evaluate each and every one based on the merits of their proposal. We select only the most worthy builds for partnership and require the information below.

The following items must be submitted for sponsorship consideration;

- Vehicle rendering.
- Marketing/build proposal. Must include show schedule.
- Social Media channels.

Once the above items are received, we will be in contact with a determination on the level of sponsorship we will offer and the corresponding Factory Support Program documentation will be sent to you for completion.

T-REX Factory Support Programs require quarterly updates on the build progress and after the build is completed, submission of show site photography. This can be done via social media feeds or direct submission of images to ester@trexbillet.com. We require you to follow our Facebook, Instagram and Twitter accounts and tag us with #trexgrilles @trex_grilles in every content posted on social media.

Thanks again for your interest. We look forward to receiving your marketing packet.

Sincerely,

T-REX Marketing Department
