1 PC HOOD X-METAL GRILLE

Recommended Tools:

Phillips Screwdriver
Cleaner/Alcohol

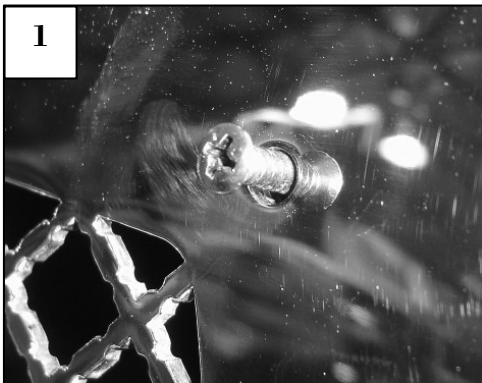

Parts List / Hardware:

1 Hood Mesh Insert
4 #8 x 1 1/4" #6 Head Polished

Read and understand instructions before attempting installation

Step 1

Remove the factory hood side air cleaner intake grate. Using alcohol or two sided remover; strip all of the two sided tape from the opening.

Step 2

Place the grille into the hood side opening. Align the holes of the new insert with the factory clips in the hood. With the insert aligned; place the provided screws in each hole (1). Making sure that the insert is straight; tighten all of the hardware.

Thank you for purchasing your T-Rex grille. 5/12/08
